### **A) THE SERVICE**

The following Service will be provided on behalf of WQA to:

**AKADEMI PERIKANAN SORONG**

**(Office: Jl. Tanjung Kasuari, KotakPos 135 Sorong, Papua Barat)**

- 1) Carry out an assessment visit and surveillance visit(s) and where necessary further visits to verify corrective actions and issue a report summarising visit findings.
- 2) **ASSESSMENT STANDARD(S): ISO 9001 : 2008**
- 3) **PROPOSED SCOPE:** **Provision of Academy Education Service Major of Marine and Fishery Department**  
The scope of approval is dependent upon those activities satisfactorily assessed during the initial assessment and subsequent visits. The DEFINITIVE Scope of Approval is the scope printed on the current Certificate of Registration
- 4) **SCHEDULED:**  
Services provided on behalf of WQA include an assessment of the Client's Management System. This includes the Assessment which comprises; Stage 1 - document review and Stage 2 - initial assessment visit; routine surveillance visits and certificate renewal visits at approximately 36 months to confirm the validity of the approved management system and the Certificate of Registration. Non conformances (Major Finding) will be issued where necessary which may necessitate 'The Special Visits Audit' to verify corrective action.
- 5) **SPECIAL VISITS:**  
In the event that non conformances are reported during assessment, surveillance or certificate renewal visits, these will be issued to the Client and where necessary additional follow up visits will be scheduled and carried out to verify corrective actions. Special visits will be charged at the man-day rate applicable at the time of the visit (Maximum 1 man-day).
